

P.S.C. No. 9 Electricity
Village of Freeport
Initial Effective Date: 05/15/2010

Leaf: 62
Revision: 0
Superseding Revision:

SERVICE CLASSIFICATION NO. 3 – OUTDOOR AREA LIGHTING

APPLICABLE TO USE OF SERVICE

Outdoor lighting of areas other than public streets, highways and roadways, for individuals, private organizations and institutional establishments where suitable electric service lines are available.

CHARACTER OF SERVICE

Unmetered service for limited period, dusk to dawn, of approximately 4,210 hours per year. Village will own, operate and maintain all facilities installed by it. Lamps and fixtures will be located as designated by Customer but will be located so as to be available to Village service vehicles.

RATE

The charge for service for each calendar month shall be the sum of the following:

Charges per Lamp per Month - Metal Halide

20,000 Lumens, 250 Watts	\$21.45
36,000 Lumens, 400 Watts	\$26.75

Charge per Lamp per Month - High Pressure Sodium

25,000 Lumens, 250 Watts	\$21.53
40,000 Lumens, 400 Watts	\$27.01

FACILITIES CHARGE

When suitable poles are available in Village's existing distribution system, no charge will be made for the pole. When additional pole or poles with necessary attachments is required for installation of the lamps requested by the Customer, the Village will install, operate and maintain such pole and attachments and the Customer shall pay \$9.42 per month in addition to charges per lamp per month. Customer shall pay a one-time, non-refundable installation fee of \$200.00 per pole.
