
SECTION 2 - TERMS AND CONDITIONS, (Cont'd.)

2.3 Limitations of Service

- 2.3.1 Service is offered subject to the availability of the necessary facilities and/or equipment, including, but not limited to, billing systems, and subject to the provisions of this tariff. The Company may decline applications for service to or from a location where the necessary facilities or equipment are not available. The Company may discontinue furnishing service in accordance with the terms of this tariff.
- 2.3.2 The Company reserves the right to discontinue or limit service when necessitated by conditions beyond its control (examples of these conditions are more fully set forth elsewhere in this tariff), or when service is used in violation of provisions of this tariff or the law.
- 2.3.3 The Company does not undertake to transmit messages, but offers the use of its service, when available and as more fully set forth elsewhere in this tariff for the transmission of customer communications. The Company shall not be liable for errors in transmission or for failure to establish connections.
- 2.3.4 The Company reserves the right to refuse to process Third Party Billed calls when the Company determines the billed party and/or standard validation techniques do not confirm acceptance, or based on characteristics of the originating or terminating location that such billing may not be authorized.
- 2.3.5 The Company reserves the right to refuse to process calling card billed calls when authorization for use of the card cannot be validated or to prevent the unlawful use of service. The Customer may be required to provide an acceptable alternate billing method or the Company may refuse to place the call. (T)
- 2.3.6 The Company reserves the right to discontinue service, limit service, or to impose requirements as required to meet changing regulatory or statutory rules and standards, or when such rules and standards have an adverse material affect on the business or economic feasibility of providing service, as determined by the Company. In such circumstances, the Company's tariff will be revised accordingly.
