SECTION 5 - OBSOLETE SERVICE OFFERINGS, (Cont'd.)

5.2    Business Plan B

Business Plan B is an optional calling plan offered to existing Business Customers at existing locations subscribing to this Plan prior to the July 21, 2001. This Plan offers Business Customers for outbound direct dialed calling from presubscribed switched or dedicated Access Lines at rates which are dependent on the Customer's monthly usage guarantee (MUG) level. Inbound (toll free) calling is also available for termination on switched or dedicated Access Lines. Operator assisted calling is     (D,T)
also available under this plan. Customers may select a one, two or three year term commitment in order to obtain lower rates.

5.2.1    Billing Increments

The billing increment and minimum call duration of each call is determined by the access method selected by the Customer and the call type. Partial increments are rounded to the next increment.

| Access Type/Call Type | Initial Increment | Additional Increment |
|---|---|---|
| Switched Access | 18 seconds | 6 seconds |
| Dedicated Access | 6 seconds | 6 seconds |
| Operator Assisted | 60 seconds | 60 seconds |

(D)

5.2.2    Monthly Usage Guarantee

All intrastate, interstate and international usage charges and applicable surcharges billed to the Customer under this plan contribute towards meeting the monthly usage guarantee. In addition, feature charges, directory assistance charges, operator usage and surcharges, and monthly recurring charges are contributory to the monthly usage guarantee. Taxes, presubscribed line charges, carrier universal service charges, pay telephone use charges and other similar fees are not contributory. When the Customer's billing falls below the MUG in any full billing period, a shortfall charge will be applied which is equal to the difference between the Monthly Usage Guarantee and the actual contributory billing for that billing period.
