
SECTION 1 - DEFINITIONS, (Cont'd.)

Long Distance Message Telecommunications Service (LDMTS) - Long distance telecommunications service offered pursuant to this tariff.

Operator Station Call - A service whereby the Customer places a non-Person-to-Person call with the assistance of an operator (live or automated).

PBX - Private Branch Exchange

Person-to-Person Call - A service whereby the person originating the call specifies a particular person to be reached, or a particular station, room number, department, or office to be reached.

Premises - The physical space designated by the Customer for the termination of the Company's service.

Presubscription - An arrangement whereby a Customer may select and designate the Company as the carrier he or she wishes to access, without an access code, for completing intraLATA and/or interLATA toll calls.

Residential Customer - For the purpose of this tariff, a Residential Customer is a Customer of the Company whose primary use of the Company's service is for personal use in a house, apartment or other residential dwelling. A Residential Customer is also a Customer who accesses the Company's service using an access line that has not been assigned a business class of service by the local service provider.

Sub-Minute Rating - Consists of an initial period rated at the appropriate initial period rate. Each increment thereafter is rated at the appropriate additional period rate which is less than one full minute.

Switched Access - A method for reaching the Company through the local service provider's switched network whereby the Customer uses standard and/or ISDN local lines.

Terminal Equipment - Telecommunications devices, apparatus and associated wiring on the Premises of the Customer.

Third Party Billing - A billing arrangement by which the charges for a call may be billed to a telephone number that is different from the calling number and the called number.
