**SECTION 3 - DESCRIPTION OF SERVICE AND RATES, (Cont'd.)****3.5 Optional Residential Services, (Cont'd.)****3.5.6 Plan F Service, (Cont'd.)****C. Monthly Recurring Charge**

The MRC is billed each month in advance and applies in full each month for each account\*, regardless of whether or not the full allotment of minutes is used, except in the case of first and last month partial billing cycles where the MRC will be prorated based on actual number of days the Customer had the service during the billing cycles. One MRC applies per account, regardless of the number of lines presubscribed to the Company's Plan F service, in addition to the applicable usage rates. A fixed allotment of intrastate or interstate, interexchange interLATA and/or intraLATA domestic calling minutes (excluding minutes used for Operator Assisted Calls, Directory Assistance calls, and any International calling) is included in the MRC. Interstate service is provided in accordance with the corresponding posted Interstate Domestic Product Guide. When service is used for both interstate and intrastate calling, only one MRC applies. Additional minutes are available and billed on a per minute basis as described above. Unused minutes will not carry over to the next month.

(D)

\* The Existing Customer who wishes to retain usage and monthly fees on a per line basis may do so by establishing a separate billing account per line.
