### TECHNICAL TERMS AND ABBREVIATIONS

**Access Line** - An arrangement which connects the Customer's location to a Company switching center or point of presence.

**Authorization Code** - A numerical code, one or more of which may be assigned to a Subscriber, to enable Carrier to identify the origin of service User so it may rate and bill the call. All Authorization Codes shall be the sole property of Carrier and no Subscriber shall have any property or other right or interest in the use of any particular Authorization Code. Automatic Numbering Identification (ANI) may be used as or in connection with the Authorization Code.

**Automatic Numbering Identification (ANI)** - A type of signaling provided by a local exchange telephone company that automatically identifies the local exchange line from which a call originates.

**Carrier** - Refers to Advanced Corporate Networking, Inc. or "ACN"

**Commission** - Refers to the New York Public Service Commission.

**Company** - Refers to Advanced Corporate Networking, Inc. or "ACN"

**Customer** - The person or legal entity which enters into arrangements for Carrier's telecommunications services and is responsible for payment of Carrier's services.

**End User** - Any person, firm, corporation, partnership or other entity which uses the services of the Company under the provisions and regulations of this tariff. The End User is responsible for payment unless the charges for the services utilized are accepted and paid by another Customer.

**Interruption** - The inoperability of the Access Line or due to Company malfunction or human errors. Any Interruption allowance provided within this Tariff by the Company shall not apply where service is interrupted by the negligence or willful act of the Customer, or where the Company, pursuant to the terms of this Tariff, terminates service because of non-payment of bills, unlawful or improper use of Company facilities or service, or any other reason covered by this Tariff or by applicable law.
