

PSC No:4 Gas  
Corning Natural Gas Corporation  
Initial Effective Date: 06/23/2011

Leaf: 81  
Revision: 3  
Superseding Revision: 2

A charge for balancing shall apply to all transportation customers except those served under SC11 individually negotiated contracts. The charge shall be 5% of the Company's annualized per unit cost of storage from the monthly GAC computation for customers taking daily balancing service (e.g. SC7), and 15% of the Company's annualized per unit cost of storage for customers taking monthly balancing service (e.g. SC6 and SC14), and shall apply to all transportation volumes. The rate shall be provided in a monthly statement to be filed with the Public Service Commission. Collections from the balancing charge shall be credited to the Gas Adjustment Clause.
