

Local and Joint Toll Tariff

7. Discount Pricing Plans (Calling Plans)
7.1 Description

7.1.1 General	
A.	The following contains summaries of discount plans that are available to subscribers of services offered under this tariff. In some cases, variations in the availability or terms of these plans are set forth in a separate paragraph following the summary. Aside from such variations, these summaries are intended for informational purposes only, and subscribers should refer to the detailed terms and conditions for these plans, as set forth in the tariff sections cited at the end of each summary. In case of any conflict between the summaries and the full provisions of the plans, as set forth in the relevant tariffs, the latter shall govern.
