(T)

Calls are billed in one (1) minute increments after an initial minimum call duration of one (1) minute. Any partial minute is rounded up to the next full minute.

The direct dial flat rate does not apply to international, directory assistance or operator assisted calls.

B. Rates and Charges – Maximum**1. Application of Charges**

(N)

A Monthly Recurring Charge (MRC) is billed each month in advance and applies to each line presubscribed to Verizon Single Rate Plan. The MRC applies in full each month for each line except in the case of the first and last month partial billing cycles where the MRC will be prorated based on the actual number of days the Customer had the service during the billing cycle. When service is used for both interstate and intrastate calling, the MRC applies only once.
