Network Interconnection Services

2. Tariff Information and General Regulations
2.7 Responsibility of the CLEC

2.7.7 Balance	
A.	All signals for transmission over the services provided under this tariff shall be delivered by the CLEC balanced to ground except for ground start and duplex (DX).

2.7.8 Design of CLEC Services	
A.	The CLEC shall be solely responsible, at its own expense, for the overall design of its services and for any redesigning or rearrangement of its services which may be required because of changes in facilities, operations or procedures of the Telephone Company, minimum protection criteria or operating or maintenance characteristics of the facilities.

2.7.9 References to the Telephone Company	
A.	The CLEC may advise its end users that certain services are provided by the Telephone Company in connection with the service the CLEC furnishes to end users; however, the CLEC shall not represent that the Telephone Company jointly participates in the CLEC's services or otherwise use the name of the Telephone Company, its parent corporation, subsidiaries or affiliates in any advertising or other marketing efforts, without express written consent of the Telephone Company.

2.7.10 Reciprocal Arrangements for CLECs Receiving Traffic From the Telephone Company	
A.	The CLEC has an obligation to update in a timely and accurate manner industry publications such as the LERG, NECA Tariff FCC No. 4, etc. Information provided to the LERG must be consistent with rate centers established in accordance with PSC end user local call rating policies. These publications must be provided or updated prior to activation of a CLEC NXX code in the Telephone Company network, in accordance with central office code guidelines
B.	Consistent with PSC end user local call rating policies, an NXX code cannot extend beyond existing geographic NPA boundaries in a given LATA.
C.	The CLEC must make available to the Telephone Company at least one point of termination per NPA in every LATA where the CLEC has an NXX code that may receive terminating traffic from the Telephone Company.

2.7.11 Relationships with Other Carriers	
A.	The CLEC must establish and maintain its own business relationships with ICs, cellular carriers, other independent and local exchange carriers for purposes of provisioning, billing and the conduct of general business.
