SECTION 3 - GENERAL DESCRIPTION OF SERVICE,

3.8 Inbound (Toll-Free) Long Distance Service

The Company's inbound long distance services are toll-free number (e.g., 8xx) services. Calls may originate from any valid exchange within the state and terminate to the Customer's location at no charge to the calling party. With inbound long distance services, the Customer is billed for the call rather than the calling party. Inbound long distance services may terminate to Customer local exchange access lines using either Switched or Dedicated Access termination.

3.9 Private Line Service

The Company offers Private Line service as described in Section 7 of this tariff.

3.10 Dedicated Access Service

The Company offers Dedicated Access service as described in Section 8 of this tariff.
