## SECTION 2 - RULES AND REGULATIONS

### 2.17 Terms And Conditions

- 2.17.1 Service is provided on the basis of a minimum period of at least one month unless specified otherwise in this tariff. For the purpose of computing charges in this tariff or an applicable contract, a month is considered to have 30 days.
- 2.17.2 Customers may be required to enter into written service agreements which shall contain or reference a specific description of the service ordered, the rates to be charged, the duration of the services, and the terms and conditions in this tariff or an applicable contract. The Customer will also be required to execute any other documents as may be reasonably requested by the Company.
- 2.17.3 At the expiration of the initial term specified in each service agreement, or in any extension thereof, service shall continue on a month-to-month basis at the then current rates unless terminated by either party. Any termination shall not relieve the Customer of its obligation to pay any charges incurred under the service order and this tariff or an applicable contract prior to termination. The rights and obligations which by their nature extend beyond the termination of the term of the service agreement shall survive such termination.
- 2.17.4 In any action between the parties to enforce any provision of this tariff or an applicable contract, the prevailing party shall be entitled to recover its legal fees and court costs from the non-prevailing party in addition to other relief a court may award.
