**SECTION 4 - REGIONAL CALLING**

## 4.1 General, (Cont'd.)

## 4.1.2 Classes of Calls

Service is offered as two classes: station to station calling and person to person calling.

- (A) Station to Station Service is that service where the person originating the call dials the telephone number desired or gives the Company operator the telephone number of the desired telephone station or system.
- (B) Person to Person Service is that service where the person originating the call specifies to the Company operator a particular person to be reached, a particular mobile unit to be reached, or a particular station, department or office to be reached. The call remains a person to person call when, after the telephone, mobile telephone, or PBX system has been reached and while the connection remains established, the person originating the call requests or agrees to talk to any person other than the person specified, or to any other agreed upon alternate.
