**SECTION 1 – GENERAL INFORMATION****1.6 TECHNICAL TERMS AND ABBREVIATIONS**

Access Line - An arrangement which connects the Customer's location to a BellSouth Long Distance switching center or point of presence.

Account Codes - Optional, Customer-defined digits that allow the Customer to identify the individual user, department or client associated with a call. Account Codes appear on the Customer bill.

Authorized User - A person, firm, corporation, or any other entity authorized by the Customer to communicate utilizing the Company's service.

BellSouth Long Distance - Used throughout this tariff to mean BellSouth Long Distance, Inc. d/b/a At&T Long Distance Service unless clearly indicated otherwise by the text.

Business - A class of service provided to individuals engaged in business, firms, partnerships, corporations, agencies, shops, works, tenants of office buildings, and individuals practicing a profession or operating a business who have no offices other than their residences and where the use of the service is primarily or substantially of a business, professional or occupational nature.

Calling Card - A billing mechanism by which the charges for a call may be billed to a valid Company-issued or Incumbent Local Exchange Carrier-issued account.

Commission - New York Department of Public Service.

Company or Carrier - BellSouth Long Distance, Inc., unless otherwise clearly indicated by the context.

Customer - The person, firm, corporation or other entity which orders, cancels, amends or uses service and is responsible for payment of charges and compliance with the Company's tariff.

End User - Any person, firm, corporation, partnership or other entity which uses the services of the Company under the provisions and regulations of this tariff. The End User is responsible for payment unless the charges for the services utilized are accepted and paid by another Customer.

Equal Access - The ability of a long distance carrier to serve Customers on a presubscribed basis rather than through the use of dial access codes.
