SECTION 2 - RULES AND REGULATIONS**2.2 Limitations**

- 2.2.1 Service is offered subject to the availability of the necessary facilities and equipment and subject to the provisions of this tariff. The furnishing of service under this tariff or an applicable contract is subject to the availability on a continuing basis of all the necessary facilities and is limited to the capacity of the Company's facilities as well as facilities the Company may obtain from other carriers to furnish service from time to time as required at the sole discretion of the Company.
- 2.2.2 Customers and users may use services and facilities provided under this tariff or an applicable contract to obtain access to services offered by other companies. The Company is responsible for the services and facilities provided under this tariff or an applicable contract, and it assumes no responsibility for any service (whether regulated or not) provided by any other entity that purchases access to the Company network in order to originate or terminate its own services, or to communicate with its own Customers.
- 2.2.3 Prior written permission from the Company is required before any assignment or transfer. All regulations and conditions contained in this tariff shall apply to all such permitted assignees or transferees, as well as all conditions for service.
- 2.2.4 In view of the fact that the Customer has exclusive control of his communications over the facilities furnished him by the Company, and of the other uses for which facilities may be furnished him by the Company, and because unavoidable errors incidental to services and use of such facilities of the Company may occur, the services and facilities furnished by the Company are subject to the terms, conditions and limitations herein specified.
