SECTION 2 - RULES AND REGULATIONS**2.1 Undertaking of Bellsouth Long Distance, Inc.**

- 2.1.1 The Company's services are furnished for intrastate telecommunications originating and terminating within the state of New York under terms of this tariff.
- 2.1.2 The Company installs, operates, and maintains the communications services provided herein in accordance with the terms and conditions set forth under this tariff. The Company may act as the Customer's agent for ordering access connection facilities provided by other carriers or entities, when authorized by the Customer, to allow connection of a Customer's location to the Company network. The Customer shall be responsible for all charges due for such service arrangement.
- 2.1.3 When services and facilities provided by the Company are used to obtain access to the regulated or unregulated services provided by another company, or are used by another company as a part of the regulated or unregulated services offered by that company, the regulations of the Company apply only to the use of the Company's services and facilities.
- 2.1.4 The Company may offer various unregulated services in conjunction with or ancillary to its regulated services.
- 2.1.5 The Company may serve Customers in the state of New York through the use of its own facilities or through the resale of services of other telecommunications service providers.
- 2.1.6 The provision of services defined herein is subject to regulations specified in this tariff and may be revised, added to, or supplemented by superseding issues.
