9.2 BellSouth® Business Class Family of Services, (Cont'd.)

9.2.6 Preferred Interexchange Carrier

For purposes of this section, if stated in the BellSouth® Business Class Family of Services Agreement, the Customer will award the Company at least 98% (or such other amount as may be specified in its BellSouth® Business Class Family of Services Agreement) of its and its affiliated entities' Interexchange telecommunications services of the type(s) included under the BellSouth® Business Class Family of Services Agreement and such additional Services as may be specified in the BellSouth® Business Class Family of Services Agreement during each billing month of the Term. Affiliated entities include all of the Customer's majority owned subsidiaries, parent companies for which the Customer purchases or influences the purchases of telecommunications services, and other entities under the control of or common control of the Customer and for which the Customer either purchases, controls or directs the purchases of telecommunications services. Affiliated entities include all such entities acquired after the date of Customer's BellSouth® Business Class Family of Services Agreement. The Customer's total volume of telecommunications services will not include (for purposes of this calculation) any binding commitments that any affiliated entity may have with another Interexchange Carrier on the effective date of the Customer's BellSouth® Business Class Family of Services Agreement or the date of its acquisition, as the case may be, service that is routed to another carrier during the period of any Service outage, and any other service usage expressly excluded under the Customer's BellSouth® Business Class Family of Services Agreement. The amount of any such commitments will be deducted from the Customer's total amount of telecommunications services when measuring the Customer's compliance with this provision. Upon Company request, Customers designating the Company as their Preferred Interexchange Carrier must provide copies of all Interexchange Carrier invoices and reports for telecommunications services purchased during the preceding six months in order to permit the Company to audit the Customer compliance. If the Customer fails to comply with this requirement, after written notice from the Company, the Customer will not receive any discounts, concessions, waivers or credits under its BellSouth® Business Class Family of Services Agreement and all charges to the Customer for Services under the BellSouth® Business Class Family of Services Agreement will be based upon base service schedule rates and standard schedule discounts.

* This service has been grandfathered effective April 27, 2007. No new customers will be provisioned under this service after this date.
