## SECTION 2 – RULES AND REGULATIONS

## 2.11 Terminal Equipment

Service may be used with or terminated in terminal equipment or communications systems, such as a PBX or key telephone system, provided by Customer or its Authorized User. Such terminal equipment or communications systems shall be furnished by and maintained at the expense of the Customer or its Authorized User, except as otherwise provided. The Customer or its Authorized User is also responsible for all costs at its premises incurred in the use of Service, including but not limited to equipment, wiring, electrical power, and personnel. When such terminal equipment or communications systems are used, they shall in all respects comply with the generally accepted minimum protective standards of the telecommunications industry as endorsed by the Federal Communications Commission.

## 2.12 Interconnection

Service furnished by the Company to the Customer or its Authorized Users may be connected with the services or facilities of other carriers. The Customer is responsible for all charges billed by other carriers in connection with the use of Service. Any special equipment or facilities necessary to achieve compatibility between carriers are the sole responsibility of the Customer.
