SECTION 10 - DATA SERVICES

10.2 Packet Service Line, (Cont'd.)

10.2.4 Responsibility of the Company

- (A) The Company shall not be responsible for installation, operation, or maintenance of any CPE. Where such CPE is connected to Company facilities, the responsibility of the Company shall be limited to the furnishing of facilities suitable for Packet Service Line service and to the maintenance and operation of such facilities in a manner proper for such service. Subject to this responsibility, the Company shall not be responsible for:
 - (1) The through transmission signals generated by such equipment, or for the quality of, or defects in, such transmission,
 - (2) The reception of signals by such equipment, or
 - (3) Damage to CPE provided by a Customer to an authorized user during testing.
- (B) The Company shall not be responsible to the Customer, if changes in any of the facilities, operations, or procedures of the Company utilized in provisioning of Packet Service Line service render any facilities provided by a Customer obsolete or require modifications or alteration of such equipment or otherwise affect its use or performance.
- (C) The Company undertakes to maintain and repair the facilities which it furnishes. The Customer may not rearrange, disconnect, remove, or attempt to repair any equipment installed by the Company without prior written consent of the Company.
