Effective Date: April 3, 2011

Section 10

Leaf No. 17

Revision: 0

Superseding Revision:

SECTION 10 - DATA SERVICES

10.2 Packet Service Line, (Cont'd.)

10.2.3 Obligations of Customer, (cont'd.)

- (C) When CPE is connected to Packet Service Line service, the Customer shall be responsible for:
 - (1) Compatibility of the CPE to Packet Service Line service. This includes replacing the DTE due to technological changes in the network, and
 - (2) Testing and sectionalization and clearance of trouble conditions or service difficulties on any CPE which is connected to Packet Service Line service.
- (D) The Customer's responsibility shall include cooperative testing with the Company as may be necessary.
