## SECTION 10 - DATA SERVICES

### 10.2 Packet Service Line, (Cont'd.)

#### 10.2.3 Obligations of Customer

- (A) When Customer provided Equipment (CPE) is connected with Packet Service Line service, the Customer or authorized user must provide equipment to perform the function of the Digital Terminating Equipment (DTE). The DTE provided by the Customer is required at a Customer's premises to perform such functions as:
- Proper termination of service
  - Amplification
  - Signal Shaping
  - Remote Loopback
- (B) Where Packet Service Line service is available under this Tariff for use in connection with Customer provided equipment (CPE), the operating characteristics of such equipment shall be such as not to interfere with any of the services offered by the Company. Such use is subject to the further provisions that the CPE does not endanger the safety of Company employees or the public; damage, require change in or alteration of the equipment or other facilities of the Company; interfere with the proper functioning of such equipment or facilities; impair the operation of the Company's facilities or otherwise injure the public in its use of the Company's service. Upon notice from the Company that the equipment provided by a Customer is causing or is likely to cause such hazard or interference, the Customer shall take such steps as shall be necessary to remove or prevent such hazard or interference.
