**SECTION 7 - PRIVATE LINE SERVICE\*****7.4 Rates and Charges**

BellSouth® Long Distance Private Line service is available under the Integrated Service Packages offerings in Section 9 of this tariff. Terms and Conditions for the provision of Private Line service as part of an Integrated Service Package, including without limitation, discounts, usage minimums, and term commitments, are set forth in Section 9 of this tariff.

The rates and charges described in this section are the base rates and charges prior to any volume and term discounts given to the Customer. Customers who subscribe to Integrated Service Packages in this tariff may obtain discounts from these base rates and charges.

The nonrecurring charges for each Private Line channel apply for the installation of new circuits, changes in speed of existing circuits or temporary disconnects of a circuit for Customer reasons. For changes in Private Line service speeds, the nonrecurring charge associated with the current (old) channel speed shall apply. The nonrecurring charges associated with a change of speed or temporary disconnect will not apply to DS-0, Fractional DS-1 and DS-1 channels in service for at least six (6) continuous months or to DS-3 and above speed channels in service for at least twelve (12) continuous months.

The monthly charges for each Private Line channel shall be the applicable monthly charges in effect on the date that such Private Line channel is installed, and the rates for such Private Line channel shall remain fixed for the duration of the Customer's Contract Term.

Additionally, rates set forth herein do not include Dedicated Access channels and access-related charges (including, without limitation, installation charges, inside wiring charges assessed by the Local Exchange Carrier (LEC), construction charges assessed by the LEC and distance and termination charges assessed by the LEC). Therefore, Dedicated Access channels and access related charges are additional charges. Rates and charges for Dedicated Access channels provided by the Company are found in Section 8 of this tariff.

OC-n rates and charges will be calculated on an Individual Case Basis (ICB).

\* This service has been grandfathered effective April 27, 2007. No new customers will be provisioned under this service after this date.
