**SECTION 8 - DEDICATED ACCESS SERVICE\*****8.4 Special Access Surcharge, (Cont'd.)****8.4.2 Exemption Certification**

BellSouth® Dedicated Access services which are terminated as set forth in Section 8.4.1 will be exempted from the Special Access Surcharge if the Customer provides the Company with a written notification certifying exemption. Such notification shall be provided by the Customer (1) at the time the Dedicated Access service is ordered or installed; (2) at such time as the Dedicated Access service is reterminated to a device not capable of interconnecting to the local exchange network, or (3) at such time as the Dedicated Access service becomes associated with a LEC-provided Feature Group A service that is subject to Carrier Common Line charges.

If written certification is not received at the time the Dedicated Access service is obtained, the surcharge will be applied. Exempt status will become effective on the certification date indicated by the Customer.

The exemption certification is to be provided by the Customer ordering the service. The certification must be signed by the Customer or authorized representative and include the category of exemption, as set forth in Section 8.4.1, for each termination, and the date which the exemption is effective.

The Customer shall also notify the Company when an exempted Dedicated Access service is changed or reterminated such that the exemption is no longer applicable.

\* This service has been grandfathered effective April 27, 2007. No new customers will be provisioned under this service after this date.
