

PSC No: 120 - Electricity
New York State Electric & Gas Corporation
Initial Effective Date: January 1, 2008

Leaf No. 183
Revision: 3
Superseding Revision: 2

SERVICE CLASSIFICATION NO. 5

APPLICABLE TO THE USE OF SERVICE FOR:

Outdoor lighting for residential and general service customers where applicable electric service is available.

CHARACTER OF SERVICE:

Unmetered service from dusk to dawn of approximately 4,200 hours per year. The Corporation will own, operate and maintain the facilities required and will supply the following types of service:

- (a) Overhead Service:
Luminaires will be mounted on available wood or fiberglass poles owned by the Corporation or on Corporation-approved customer-owned poles.
- (b) Underground Service:
Luminaires will be mounted on metal, fiberglass or wood poles owned by the Corporation or on Corporation-approved customer-owned poles using the Corporation's existing distribution facilities or where the Corporation is in the process of constructing a new underground distribution system. The customer will be responsible for the construction and maintenance of the underground wire, cable and conduit facilities dedicated to serving the underground lighting system. All such facilities will be constructed in accordance with Company standards. Poles, luminaires, brackets and screw-in bases will be installed and maintained by the Corporation, unless the customer elects to pay for such facilities and be billed therefore under Special Provision K "Contributory Provisions". Energizing or de-energizing of any such underground system will be the responsibility of and performed only by the Corporation. The Company reserves the right to refuse service to any part of such customer-provided facility that does not meet general Corporation specifications.

ELECTRICITY SUPPLY PRICING OPTIONS AVAILABLE TO CUSTOMERS:

Pursuant to General Information Section 25, Pricing Options Effective January 1, 2008, customers served under this Service Classification will choose from two different electricity supply pricing options offered by the Company as described below.
