#### GENERAL INFORMATION

25. Pricing Options effective January 1, 2007: (cont'd.)

**J. Changing Electric Rate Options January 1, 2007 - December 31, 2008: (cont'd.)**

**1. A customer can switch in and out of retail access at any time during each Commodity Option Period, as detailed below. (cont'd.)**

**d) NYSEG Default Supply Option (DSO)**

A customer taking service under the DSO may change only to the ESCO Price Option (EPO). During the Grace Period, Small customers who defaulted to the DSO may switch to FPO, as described in Section 25.I.

**e) NYSEG Fixed Price Option (FPO)**

A customer taking service under the FPO may change only to the ESCO Option with Supply Adjustment (EOSA).

Although the rates for FPO may be adjusted every April 1, a customer on the FPO rate option prior to April 1 who moves to retail access will not receive a FPO rate adjustment when switching from FPO to EOSA within the Commodity Option Period.

**2. Process for Changing to a Retail Access Rate Option  
January 1, 2007 - December 31, 2008:**

To effectuate the switch to retail access, the customer's ESCO must contact NYSEG to submit the customer's Retail Access enrollment information. A customer that participates in Retail Access may switch from one ESCO to another, but must maintain the same electric rate option (a change in rate option may only be made during the Enrollment Period).

Upon NYSEG's receipt of notice that the customer is enrolling in Retail Access, NYSEG will notify the customer of such enrollment by sending the customer a letter.

**3. Process for Changing to a Non-Retail Access Rate Option  
January 1, 2007 - December 31, 2008:**

A customer that is changing from a retail access option to a non-retail access option may do so by first contacting its ESCO to discontinue Retail Access service. (Alternatively, a customer may contact NYSEG directly with its request.)

Upon NYSEG's receipt of notice that the customer is canceling Retail Access, NYSEG will notify the customer of such cancellation by sending the customer a letter.

**4. ESCO Discontinuance of Sales to Individual Customer:**

If an ESCO cancels a customer's Retail Access service, such ESCO must follow the procedures set forth in the UBP Addendum to this Schedule. Upon receipt of the notice of discontinuance from the ESCO, NYSEG will verify this request with the customer by sending a letter to the customer.
