COMPANY: KEYSpan GAS EAST CORP. DBA BROOKLYN UNION OF L.I. REVISION: 2  
INITIAL EFFECTIVE DATE: 11/03/06 SUPERSEDING REVISION: 1  
STAMPS:

**Service Classification No. 12**  
**Temperature-Controlled Service - Non-Residential (continued)**  
**(Rate Codes: 330, 331, 332)**

**Special Provisions (continued):**

- 2) any loss, damage or expense, direct or indirect, which were incurred by the customer or others in connection with or as a result of any curtailment or discontinuance of gas service, nor
- 3) any malfunction of said dual-fuel equipment and associated control devices, nor any consumption of gas when temperature falls below the specified temperature level for interrupting service.
- c. The customer is responsible for the immediate manual switching from natural gas use to the alternate fuel if any control device fails to switch over to the alternate fuel when the temperature drops below the specified temperature level for interrupting service.
- d. The customer is responsible for all telephone charges for communicating meter reading information to the Company by telemetering.
- e. The customer will ensure that the telephone lines to the telemeter are operational at all times. Failure to maintain the operation of these lines may result in the discontinuance of service.
- f. The Company reserves the right to accept only such applications under this Service Classification as will, in the Company's sole judgment, permit it to dispose of the gas and/or system capacity it has available for sale without requiring an unreasonable or uneconomic extension of facilities. If the required extension of facilities is uneconomic, the Customer may make such contribution as is needed to make it economic for the Company.
- 6. Meter Reading Devices: Remote and automatic meter reading device ("telemetering") are required for all customers contracting for this service.
- 7. Termination of Service: The Company reserves the right to terminate service to a customer if a customer:
  - a. fails, for any reason whatsoever, to interrupt service upon written or oral notice from the Company, or
  - b. suffers or allows gas to be consumed in violation of interruption provisions of this service, or
  - c. in the case of human needs customers, fails to maintain the dual-fuel equipment and associated control devices in proper working order, or
  - d. interferes in any manner with the operation of such control devices, or
  - e. interferes with or hinders in any manner, the Company's rights to access, metering and inspection, or
  - f. fails to maintain the operation of all telephone lines used in the remote reading of telemetering equipment, or
  - g. otherwise violates any provision of this service classification.
