Superseding Revision:

SECTION 3 - INDIVIDUAL, PARTY AND PRIVATE BRANCH EXCHANGE SERVICE

F. DIALAN SERVICE (Cont'd.)

3. Rates (Continued)

When a customer subscribing to DIALAN Service also subscribes to Enhanced Centrex Service as per Section 3 of this tariff, the Enhanced Centrex line total will be included with the customer's DIALAN Service lines in determining the applicable rate steps as listed above.

b. Feature Package for DIALAN Service

An optional feature package is available with DIALAN Service which includes the following features:

1. Automatic Line - automatically dials a customer's programmed telephone number.
2. Last Number Redial - allows a user to redial the last number called by use of an access code rather than dialing the entire number.
3. Memory Dialing - allows a user to dial up to 10 frequently dialed numbers through the use of an abbreviated access code.
4. Ring Again - automatically redials a busy telephone number.
5. Hunting - directs incoming calls to an available hunt group number.

The monthly rate for the DIALAN Service feature package is \$10.00 per customer group.

When a DIALAN Service customer also subscribes to Enhanced Centrex Service as per Section 3 of this tariff, the features available to the Enhanced Centrex lines will also be available to the DIALAN Service lines.

c. Installation Charges

1. Service Connection charges apply as per Section 8 of this tariff.
2. A data termination charge of \$50.00 per line applies in addition to the service connection charges.
3. If special or unusual line conditioning is required, additional time and material charges may apply.
