Section: 12 Leaf: 11
Revision 0
Superseding Revision 0

SECTION 12: MISCELLANEOUS SERVICES

12.9 Caller Name and Number Delivery (Caller ID) Blocking (cont'd)

Per-Call Blocking customers and Per-Line Blocking customers cannot complete calls to Calling Name and Number Delivery subscribers who have activated the Anonymous Call Rejection (ACR) feature. If a blocking customer calls a Calling Name and Number Delivery subscriber who has activated ACR, the caller will hear an announcement that the called party is not accepting blocked calls. To complete a call to a Calling Name and Number Delivery subscriber who has activated ACR: (1) place the call by unblocking the telephone number; or (2) place the call through an operator. Option (2) will involve an operator surcharge in addition to the cost of the call.

12.9.3 Rates

Calling Name and Number Delivery Blocking	<u>Nonrecurring Charge</u> (per order, per line)
Per Call	\$0.00
Per Line	\$15.00*

* Initial Per-Line Blocking is provided free of charge upon customer request. The nonrecurring charge applies for subsequent requests for Per-Line Blocking for the same customer at the same address
