- (C) Except as otherwise stated in the Tariff or by Contract, at the expiration of the initial term specified in the applicable Service Order, or in any extension thereof, Service shall continue on a month to month basis at the then current Tariff rates until Terminated by either party. The Company and Customer may agree that the Service shall automatically renew for the term of the initial Contract. Any Termination shall not relieve Customer of its obligation to pay any charges incurred under the Service Order and this Tariff prior to Termination. The rights and obligations that by their nature extend beyond the Termination of the term of the Service Order shall survive such Termination.
- (D) Another telephone company or provider of telecommunications service must not interfere with the right of any person or entity to obtain Service directly from the Company. The Customer is absolutely prohibited from reselling the Company's Services unless done in compliance with state and federal laws, rules and regulations, and with written permission from the Company.
- (E) The Customer has no property right to the telephone number or any other call number designation associated with Services furnished by the Company. Except as provided by state or federal requirements, the Company reserves the right to change such numbers, or the Central Office designation associated with such numbers, or both, assigned to the Customer, whenever the Company deems it necessary to do so in the conduct of its business.
- (F) Effective August 22, 2006, extensions or renewals of contracts or term plan agreements will not be available. AT&T Long Distance will limit its term service offering to customers of record as of August 22, 2006 and customers who have signed a contract or letter of intent on or before that date. Service will be provided under the terms and conditions in effect on August 22, 2006 and these terms and conditions will apply until such time as the service is disconnected. Subsequent additions, or changes to existing service, may be made on Month to Month term pricing only and conditions in effect on August 22, 2006 (subject to availability of equipment and facilities) and at the rates in effect at the time the order is placed. No term pricing will be available on any order for service from any new or existing customer after August 22, 2006. (N)
- For those contracts or term plan agreements that expire on or after August 22, 2006, the terms and conditions of the tariff then in effect will apply (both to existing services and to subsequent additions and changes), with rates subject to change. (N)
