INTERCONNECTION

SECTION 9 - INTERIM NUMBER PORTABILITY, (CONT'D.)

9.4 Responsibilities of the Co-Carrier, (Cont'd.)

9.4.6 Where the Co-Carrier chooses to disconnect or terminate any Interim Number Portability Alternative routing, it is responsible for designating the preferred type of announcement to be provided by the Company at appropriate unregulated intercept rates, if applicable.

9.4.7 The Co-Carrier is responsible for designating to the company at the time of its initial service request for Interim Number Portability Alternative routing one of the following options with respect to Credit Card, Collect, third party, and other operator handled calls from or to the Interim Number Portability Alternative assigned telephone numbers: (1) the Co-Carrier may request that the Company block all such calls; (2) the Co-Carrier may accept billing from the Company for such calls; or (3) the Co-Carrier may negotiate a separate agreement with the company establishing the call handling, processing, billing and collection responsibilities of the parties.

9.5 Responsibility of the Company

The Company will make available information necessary describing the interoffice transmission and signaling procedures standard to the Company's network.

9.6 Rates and Charges

9.6.1 Remote Call Forwarding Option

Each number ported to the Co-Carrier will be charged at reciprocal rate.

The reciprocal rate applies for all Interim Number Portability Alternative routing when the Co-Carrier provides similar-type Interim Number Portability Alternative routing.
