\*Such facilities are no longer available for new installations under this service classification.

#### Transition Charge

All customers served under this Service Classification, taking service under the NYSEG Fixed Price Option (FPO), will be required to pay a Transition Charge (NBC), as further described in PSC No. 120 General Information Section 25.B.

#### Commodity Service

The charge for Electric Power Supply provided by NYSEG will fluctuate as described herein and further detailed in PSC No. 120 General Information Section 25.A.4, Pricing Options Effective January 1, 2007; NYSEG Fixed Price Option (FPO).

Each billing period, the charge for commodity service will be calculated by subtracting the fluctuating Transition Charge for that billing period from the following Fixed Total of commodity and transition charges (Fixed Total) established on November 1 (to be effective on the following January 1) or April 1, as applicable and as set forth below, pursuant to PSC No. 120 General Information Section 25.A.4.

Effective Date	01/01/2007
Fixed Total	\$0.07990
