Whereas the furnishing, installing and connecting of a service line and the furnishing of service equipment, as set forth under General Rule 3.2.2, or any part of such installation, as determined by the Company, are required to serve the Customer's premises, and the estimated cost to the Company of such installation exceeds an amount equal to two-years' estimated revenue from the Customer, the Customer hereby agrees to pay to the Company, before the work is begun, the sum of \$..... to cover the estimated amount of such excess cost.
