

P.S.C. No. 1 – Water
United Water Westchester Inc.
Initial Effective Date: January 11, 2009

Leaf No. 56
Revision: 0
Superseding Revision: 0

- (e) Any complaint against the service or employees of the Company should be made at the office of the Company and preferably in writing.

33. EXTENSION OF MAINS

33.1 Construction of Facilities

(a) Facilities Within Highway

The Company shall furnish, place, construct, operate, maintain and when necessary replace their own cost and expense all mains, service pipes, service connections and other facilities within territorial limits of any street, avenue, road or way that is for any highway purpose under the jurisdiction of the legislative body of any city, town, village, county or the State of New York, or other public place open to the general public for highway purposes, provided all necessary easements are furnished without cost to the Company.

(b) Facilities Outside Highway

Where such facilities will be constructed on private property without the territorial limits of any street, avenue, road or way, or other public place open for highway purposes:

- i. The applicant shall be allowed to construct the facilities, where such arrangements results in lower cost or better time performance, using contractors or materials approved by the Company, subject to the Company's specification, based on safety compatibility and, as to contractors, reputable past performance, and subject to inspections and approval, the additional cost of said inspections is to be paid by the applicant. In addition, the applicant shall pay any applicable taxes related to the main extension as specified in the agreement.
- ii. The applicant shall provide all necessary easements to the Company in order for the proper installation of the facilities whether installed by the applicant or the Company.

33.2 Applicant Within Specified Distance

Upon written application of the owner or occupant of any property abutting on any such street, avenue, road or way or other public place within 75 feet of any main of the Company, the Company shall furnish, place and construct at its own cost and expense such mains, service pipes, service connections and facilities as are necessary to render the service requested.
