8.12 Accounting Codes8.12.1 Description

Accounting Codes provide customers with a means of restricting calls or itemizing calls, according to specific digits that must be dialed at the end of a long distance telephone number. The length of Accounting Codes may vary from 2 to 6 digits, however, the length must be consistent for each customer location.

Offered are packages of codes that are verified against a specific list of valid numbers, for call restriction, or offers unverified packages of 2-6 digits in length for cataloging by code, the calls made.
