SERVICE CLASSIFICATION No. 6 (Cont'd)

(4) Customer has a viable option to locate its facility or equipment outside the service territory served by this tariff, and provides evidence to the Company's satisfaction of such an option, subject to an agreed upon confidentiality agreement, and

(5) Customer shall apply for service under this Service Classification prior to the addition of load as described in Requirement (2) above.

SERVICE AGREEMENT:

Upon 30 days notice to the Company and upon acceptance of the application by the Company, a customer may qualify for an individual Service Agreement pursuant to this Service Classification.

The Service Agreement shall contain all terms and conditions necessary for the Company to provide service to the customer, including, but not limited to:

- a. The Term of Service. The negotiated term of the Service Agreement shall be at least 12 months. Contracts offering fixed prices are generally limited to a term of no longer than seven years, unless a longer term is approved by the New York State Public Service Commission.
- b. The Character of Service terms.
- c. The Rates and Charges to be paid for service rendered.

Service under this Service Classification may be terminated immediately at the Company's option for material breach of the provisions of their Service Agreement. Such customer's load will be eligible for service under the otherwise appropriate Service Classification.

CONTRACT ADDENDA:

A summary of each individually negotiated Service Agreement with customer taking service under this Service Classification will be added to the tariff.

OTHER TERMS AND CONDITIONS:

Transportation service will be provided under this Service Classification in accordance with all other terms and conditions as described in the applicable non-discounted Service Classification except as specifically noted above.

The Company shall require the Customer to pay for any new facilities necessary for service.
