SERVICE CLASSIFICATION No. 5 (Cont'd)

Application of Deliveries:

Volumes up to the volumes received for transportation (net allowance) to the Customer, shall be considered gas delivered under this Service Classification. Any additional volumes shall be billed at the rate specified in applicable tariff provisions for firm service.

Terms of Payment:

Bills are rendered at the above Rate. The Late Payment charge will be due if payment is not made on or before the date specified on the bill in accordance with the provision of General Information Rule I(10).

Terms:

The term shall be defined within the written service agreement and mutually agreed upon by the customer and the Corporation. It will not be necessary to revise such contract with each rate adjustment.

General Terms and Conditions:

The General Information Rules of the Company's rates and tariffs are applicable to all information not specifically covered within this Service Classification, and are hereby made a part thereof.
