Daily Swing Service Imbalance Charge

The Company shall balance the Seller's account at the end of each month to zero. This shall be done by comparing the sum of the Seller's deliveries to the Company for the month, to the Pool's actual and/or estimated usage for the same period. If the Pool consumed more gas than delivered to the Company for the Pool's account, the excess shall be purchased by the Seller at the Company's Monthly Cash Out Price for the same period. If the Pool consumed less gas than delivered to the Company for the Pool's account, the shortfall shall be credited to the Seller at the Company's Monthly Cash Out Price for the same period.

Marketer Capacity Program

All Marketers must secure primary firm delivery point capacity for the needs of their firm customers for each of the five winter months (November through March, inclusive). For Marketers electing to accept the Company's capacity, such capacity shall be made available as follows:
