### **GENERAL INFORMATION**

- .3.4 The Corporation referring such a case to the department of Social Services will continue heat-related service to the multiple dwelling or otherwise provide heat to the person who may suffer a serious impairment for at least 15 business days after the referral. The Corporation referring such a case will not thereafter terminate heat-related service to the dwelling during the cold weather period unless it otherwise provides heat to the person who may suffer serious impairment, or unless it is informed by the local department of Social Services that appropriate alternative arrangements to preclude a serious impairment to health or safety have been made or that the claim of serious impairment is without merit. The Corporation thereafter intending to terminate service will provide at least five (5) calendar days written notice to the occupants that heat-related service will be terminated and will, if so notified by the department of Social Services, inform the individual of the finding of no serious impairment. Such notice will state that any occupant may seek further review by the Commission.
- .3.5 If the Corporation is notified by the local department of Social Services that an occupant in a multiple dwelling where the heat-related service has been terminated by the Corporation may suffer a serious impairment to health or safety, it will reconnect heat-related service, or otherwise provide heat to such person and continue such service.
