10.6 Residential Network Switched Services

10.6.1 General

Residential Network Switched Service provides a residential customer with a connection to the Company's switching network which enables the customer to:

- A. place and receive calls from other stations on the public switched telephone network;
- B. access the Company's local calling service;
- C. access the Company's operators and business office for service related assistance; access toll-free telecommunications services such as 800 NPA; and access 911 service for emergency calling; and
- D. access the service of providers of interexchange service. A customer may presubscribe to such provider's service to originate calls on a direct dialed basis or to receive 800 service from such provider, or may access a provider on an ad hoc basis by dialing the provider's Carrier Identification Code (101XXXX).
