Initial Effective Date: 01/02/2006

Section: 10 Leaf: 46
Revision: 0

SECTION 10 – AMERICAN LONG LINES (Cont'd)

(N)

10.8 Local Usage (Cont'd)

10.8.4 Call Charges

Residential rates for home region calls are a flat cost per call and are not timed for subscribers of Message Rate service. Home region calls which are outside of the primary calling area are based on the duration of the call as measured according to Section 10.8.2 above and the time of day rate period of the call as described in Section 10.8.3. Residential rates for region-to-region calls are based on the duration of the call as measured according to Section 10.8.2 above, time of day rate period of the call as described in Section 10.8.3 and the region to which the call is terminated as listed in Section 10.4.2. In addition, where live or automated operator assistance is required for call completion or billing, a per call service applies.

Business rates for both home region calls and region-to-region calls are based on the duration of the call as measured according to Section 10.8.2 above, time of day rate period of the call as described in Section 10.8.3 and the region to which the call is terminated as listed in Section 10.4.2. In addition, where live or automated operator assistance is required for call completion or billing, a per call service applies.

Charges for all classes of calls may be to the calling station, to the called station when the called party agrees to accept the charges, to an authorized telephone number which is not the called station or the calling station (3rd number billing), or to an authorized calling card.
