(A) Moves Within the Same Building

Moves within the same building will incur a charge equal to one-half (1/2) of the nonrecurring charges of the shortest term available and all associated special construction and material charges for the Service. There will be no change in TPP term requirements.

(B) Moves To a Different Building

Moves to a different building will incur a charge equal to the nonrecurring charges of the shortest term available and all associated special construction and material charges for the Service. There will be no change in TPP term requirements, except as noted in 11.3.6(C) below.

(C) When Termination Charges Apply

If an order to move Service provided under a TPP does not meet one or more of the conditions described below, it will be treated as a discontinuance of Service and the establishment of a new Service and termination charges will apply. Except as noted, the monthly rates for the new Service will be those in effect at the time Service is moved. All nonrecurring charges and special construction charges associated with the establishment of the new Service will apply.
