Superseding Revision:

2.3.2 Interconnection of Facilities

(A) Any special interface equipment necessary to achieve compatibility between the facilities and equipment of the Company used for furnishing local exchange Service and the channels, facilities, or equipment of others may be provided at the Customer's expense.

(B) Local Services may be connected to the services or facilities of other communications carriers only when authorized by, and in accordance with, the terms and conditions of the tariffs of the other communications carriers which are applicable to such connections.

(C) Facilities furnished under this Tariff may be connected to Customer provided terminal equipment in accordance with the provisions of this Tariff.

2.3.3 Non-Routine Installation

At the Customer's request, non-routine installation and/or maintenance may be performed outside of the Company's regular business hours. Installation and/or maintenance and hazardous locations may be performed at the Company's discretion. In such cases, additional charges may apply. If installation is started during regular business hours but at the Customer's request extends beyond regular business hours into time periods including, but not limited to, weekends, Holidays, and/or night hours, additional charges may apply.

2.3.4 Ownership of Facilities

Title to all facilities provided in accordance with this Tariff for provision of Service to the Customer remains with the Company or third party vendor providing facilities on behalf of the Company.
