2.1.3 Terms and Conditions

(A) Minimum Contracts

Except as otherwise provided herein, Service is provided and billed on the basis of a minimum period of at least one (1) month, and shall continue to be provided on a monthly basis until canceled by the Customer. Unless otherwise specified herein, for the purpose of computing charges in this Tariff, a month is considered to have thirty (30) calendar days. All calculations of dates set forth in this Tariff will be based on calendar days, unless otherwise specified herein.

Except as provided in this Tariff, the length of minimum Contract period for directory listings is the directory period. The directory period is from the day on which the directory is first distributed to the Customers to the day the succeeding directory is first distributed to Customers.

The Company may require a minimum Contract period longer than one (1) month at the same location in connection with special (non-standard) types or arrangements of equipment, or for unusual construction or special Service terms, necessary to meet special demands and involving extra cost or expense.

(B)

Customers may be required to enter into written Service Orders which will contain or reference the name of the Customer, a specific description of the Service ordered, the rates to be charged, and the duration of the Services. Customers will also be required to execute any other documents as may be requested by the Company.
