(B) Patent or trademark infringement or other infringement of intellectual property rights, including, but not limited to, copyrights, trademarks, and trade secrets, arising from (1) combining (or using in connection with) Company-provided Services and equipment with any facilities, services, functions, or products provided by the Customer or Authorized User or (2) use of Services, functions, or products the Company furnished in a manner the Company did not contemplate and over which the Company exercises no control. In the event that any such infringing use is enjoined, the Customer or Authorized User at its expense, shall obtain immediately a dismissal or stay of such injunction, obtain a license or other agreement so as to extinguish the claim of infringement, Terminate the claimed infringing use, or modify such combination so as to avoid any such infringement; or

(C) A breach in the privacy or security of communications transmitted over its facilities unless such a breach is caused by the gross negligence or willful misconduct of the Company's agents or employees; or

(D) Acts, mistakes, omissions, interruptions, delays, errors or defects in transmission over Company's facilities or equipment unless such act, mistake, omission, interruption, delay, error or defect in transmission is caused by the gross negligence or willful misconduct of the Company's agents or employees; or

(E) Injuries to persons or property from voltages or currents transmitted over Company-provided facilities caused by Customer-provided equipment or Premises wire; or

(F) The disconnection of Service for failure to pay the charges billed to Customer, unless such disconnection is caused by the gross negligence or willful misconduct of the Company's agents or employees; or
