(C)

Except as otherwise stated in the Tariff or by Contract, at the expiration of the initial term specified in the applicable Service Order, or in any extension thereof, Service shall continue on a month to month basis at the then current Tariff rates until Terminated by either party. The Company and Customer may agree that the Service shall automatically renew for the term of the initial Contract. Any Termination shall not relieve Customer of its obligation to pay any charges incurred under the Service Order and this Tariff prior to Termination. The rights and obligations that by their nature extend beyond the Termination of the term of the Service Order shall survive such Termination.

(D)

Another telephone company or provider of telecommunications service must not interfere with the right of any person or entity to obtain Service directly from the Company. The Customer is absolutely prohibited from reselling the Company's Services unless done in compliance with state and federal laws, rules and regulations, and with written permission from the Company.

(E)

The Customer has no property right to the telephone number or any other call number designation associated with Services furnished by the Company. Except as provided by state or federal requirements, the Company reserves the right to change such numbers, or the Central Office designation associated with such numbers, or both, assigned to the Customer, whenever the Company deems it necessary to do so in the conduct of its business.

2.1.4 Notification of Service-Affecting Activities

Where possible, the Company may, at its sole discretion, provide the Customer reasonable notification of Service affecting activities that may occur in the normal operation of its business.
