(L) PBX Information

Customer shall provide Company with detailed information related to multi-location private branch exchanges ("PBX") and other parties PBXs operating within the Customer's premises or otherwise connected to Company's telecommunication service through Customer. Such information shall include the end-user addresses corresponding to all telephone lines operating through the PBX and such other information, as requested by Company, which will enable Company to determine, in the event of an emergency 911 call routed through a PBX, the physical location from which the call was made. Customer shall continually update this information and shall immediately notify Company of any changes related to this information. Customer shall indemnify and hold Company harmless from any and all losses, damages, costs, expenses, claims, or liabilities resulting from the Customer's failure to immediately provide or update this information to Company, including, but not limited to, any and all losses, costs, expenses, claims, liabilities or damages, including third party claims, related to the failure to respond to an emergency 911 telephone call.
