(I) Easy Pay Option

Before service is established, the customer may request the ability to spread all the nonrecurring charges (including the installation charges associated with optional features) and/or special construction charges over a period that coincides with the Term Pricing Plan ("Deferred Payment Option"). The customer cannot change the term of the Deferred Payment Arrangement. The Deferred Payment Arrangement monthly charge will equal the service connection charges, installation charges and/or special construction charges multiplied by the appropriate annuity factor show below:
