Superseding Revision:

5.1.4 Sections

Each White Pages Directory Listing must be designated as either "Government", "Business" or "Residence" so that it can be placed in the appropriate section of the White Pages Directory. In order to aid the user of the White Pages Directory, and to avoid misleading or deceiving the calling party as to the identity of the listed party, only business listings may be placed in the Business section and only residential listings in the Residential section. The Company, upon notification to the Customer, will withdraw any White Pages Directory Listing that is found to be in violation of its rules with respect thereto.

5.1.5 Schedule

In order for listings to appear in an upcoming White Pages Directory, the Customer must furnish the listing to the Company in time to meet the directory-publishing schedule.

5.1.6 Other Requirements

The Customer White Pages Directory Listing may be subject to other requirements imposed by the ILEC publishing the telephone directory.

5.2 Descriptions

White Pages Directory Listings are provided in connection with each Customer Service as specified herein.

5.2.1 Primary Listing

A primary listing contains the name of the Customer, or the name under which a business is regularly conducted, as well as the address and telephone number of the Customer. A primary White Pages Directory Listing is provided in connection with local exchange Service at no additional charge.
