b. The Company engineers a Customer's request for a customized Service that is not considered by the Company to be a standard offering.

2. Overtime Installation

Overtime installation is that part of the Company installation effort that takes place outside of normally scheduled working hours.

3. Stand-by Time

Stand-by Time includes all time in excess of one-half (1/2) hour during which Company personnel stand by while the Customer or third party makes installation acceptance tests or performs cooperative tests with a Customer to verify facility repair on a given Service.

4. Testing Time

Additional testing, maintenance or repair of facilities which connect to facilities of other service providers which is in addition to the normal effort required to test, maintain or repair facilities provided solely by the Company.

5. Maintenance of Service

When a Customer reports a trouble on a designed Service to the Company for clearance and the trouble is not found to be on the Company's side of the Demarcation Point, the Customer shall be responsible for the payment of a Maintenance of Service Charge for the period of time Company personnel are dispatched to the Customer's Premises. No charge will be applied if the trouble is found in the Company's facilities.
