- (G) Applicants who are not identified as current Customers, according to a confidential computer matching program conducted with DSS and/or CDA, may enroll by submitting a pre-printed reply form, approved by the Company and DSS, that shows current eligibility information. For new Customers, the Lifeline discount is credited as of the Service Start Date.
- (H) The Company, in coordination with DSS and CDA, will review eligibility status monthly. If, after verification, a Customer is identified as being ineligible after four consecutive monthly matches when verification is by computerized matching programs, the Customer must provide proof of eligibility within thirty days. Upon failure to provide proof to the Company within the specific time period, the Customer's Service will be switched to comparable Service at full rate. There will be no charge for a change in Service.
- (I) Eligibility information learned from DSS and/or CDA in a computerized matching program is confidential, and will not be used for any other purpose than the administration of Lifeline Service.
